COUNTY OF SANTA CLARA PROPERTY TAXES

GENERAL INFORMATION

Property Taxes - Secured and Unsecured

The County, cities, schools, and other local taxing agencies derive a portion of their revenue from property taxes. Property taxes are levied on land, improvements, and personal property under legal authority from California Codes. Improvements include structures, fixtures, and fences that are erected or fixed to the land. Land and improvements are defined as secured property or real property. Secured property taxes are levied on secured (real) property. Personal property includes property that is not included in land and in improvements, and therefore, not secured by real estate. It is also called unsecured property. Examples are boats, airplanes, and business use property such as furniture, machinery, and equipment. The tax rate applied to unsecured property is the same rate that was applied to secured property in the prior year.

Valuation

Annually, the County Assessor establishes values for all real properties on the local roll as of the lien date, January 1. The value of each parcel is the value of real property as shown on the County Fiscal Year 1975-1976 tax bill under "full cash" value, or the assessed (fair market value) of real property when there has been a change in ownership or there has been new construction after the 1975 assessment. In addition, the assessed value increases each year by an inflationary rate not to exceed the percentage change for the California Consumer Price Index (CPI), or 2%, whichever is less.

Tax Charge

By law the tax rate is limited to 1% of the assessed value plus amounts required for the payment of principal and interest on voter approved bond indebtedness. For example, if there is voter approved bond indebtedness of 0.25%, the tax rate on the parcel would be 1.25% or \$1.25 for each hundred dollars of assessed valuation of the parcel. Upon application certain property or portions thereof may be exempted from taxation. Examples of these exemptions are the homeowners' exemption, veterans' exemption, and exemption if hospitals, churches, and charitable organizations own the property.

Tax Rate Areas

The County is divided into tax rate areas determined by the varying boundaries of cities, schools, and special districts. Properties in different tax rate areas may be subject to different tax rates from voter approved bond indebtedness. The first two digits of each tax rate area identify the area in which the property is located – the city or the unincorporated area. The tax rates shown for taxing agencies with account numbers 1 through 40000 are applied to the net value shown on the tax rolls; account numbers in the 60000 series are applied to the value of land only; account numbers in the 70000 series are applied to the value of land and improvements. Total number of Tax Rate Areas in Fiscal Year 2025-26 is 816.

Due Dates of Property Taxes

Unsecured taxes are due on lien date, January 1, of each year and become delinquent after August 31.

Secured taxes are due in two installments. The first installment is due and payable on November 1 and becomes delinquent if not paid by December 10. The second installment is due and payable on February 1 and becomes delinquent if not paid by April 10.

Delinquent Taxes and Penalties

Secured taxes not paid by the delinquency date are subject to penalties. The penalty for paying after the delinquency date but before the close of the current fiscal year is 10 percent of the tax. Beginning July 1 of the subsequent fiscal year, a redemption penalty of 1.5 percent of the defaulted tax is added per month until the parcel is redeemed.

Mailing of Tax Bills

Regular secured tax bills are mailed by the Department of Tax and Collections by November 1 of each year to taxpayers at addresses furnished from the records of the Assessor. Unsecured tax bills are mailed by July 1 of each year to taxpayers at addresses furnished from the records of the Assessor. It is the responsibility of the property owner to pay taxes whether or not a tax bill is received. All changes or corrections of the mailing address, errors, or omissions of names and addresses should be made in writing and addressed to the County Assessor at 130 West Tasman Drive, San Jose, CA 95134.

Supplemental Tax Bills - Senate Bill 813 (SB813)

In July 1983, the State of California enacted Senate Bill 813, which requires the Assessor to reassess the value of real estate when there is a change of ownership or new construction.

The Controller is required to issue supplemental tax bills (or credits/refunds) for the change in assessed value of the property. Supplemental tax bills are in addition to the regular secured tax bills. Supplemental tax bills are due when the tax bills are issued.

SOURCES OF ADDITIONAL INFORMATION

Additional information can be obtained by writing to the address below or calling the number listed below.

Assessor's Department
130 West Tasman Drive
San Jose, CA 95134

*SBE - State Board of Equalization

**HOPTR - Home Owner Property Tax Relief

***Beginning in Fiscal Year 1988-89, Chapter 921 of the Statutes of 1987 requires the establishment of a single Countywide tax area for the assignment of the assessed value of certain types of State-assessed utility property and sets forth formulas for the determination of Countywide tax rates for this particular type of property. This statute also spells out how to distribute the taxes which have been collected from the bills derived from this value and specified tax rate.

* Department of Finance letter dated June 13, 2022 requires all allocations into the RPTTF for the former Santa Clara Redevelopment Agency to cease per Health & Safety Code section 34187 (h). Therefore, gross 1% tax increment of the former Santa Clara redevelopment project areas are being allocated directly to the affected taxing entities through normal property tax distributions instead of RPTTF.

* Department of Finance letter dated June 13, 2022 requires all allocations into the RPTTF for the former Santa Clara Redevelopment Agency to cease per Health & Safety Code section 34187 (h). Therefore, gross 1% tax increment of the former Santa Clara redevelopment project areas are being allocated directly to the affected taxing entities through normal property tax distributions instead of RPTTF.
